

# AGRI-HEP 2-2-2-1

## ALL PURPOSE FOLIAR MICRONUTRIENT

### Information

AGRI-HEP All Purpose Foliar Micronutrient is a concentrated aqueous solution of micronutrients in combination with glucoheptonates (7 carbon sugars), a natural, organic chelating agent designed to increase the uptake of nutrients involved in crop production.

### Crop Recommendations

AGRI-HEP All Purpose is recommended to prevent and correct micronutrient deficiencies in the following crops: alfalfa, almonds, avocados, apples, barley, beans, broccoli, cabbage, cauliflower, carrots, celery, citrus, corn, cotton, cucumbers, eggplant, grapes, lettuce, milo, melons, nectarines, rice, pears, peaches, pecans, peppers, plums, potatoes, peanuts, strawberries, tomatoes, turf, turnips, watermelons and wheat.

### Application Rates

**Field Crops:** Apply 1 quart per acre per application. Repeat every 7 to 21 days as needed, up to a maximum of 4 applications.

**Fruits and Nuts:** Apply 2 to 3 quarts per acre per spray application. 3 to 5 applications may be needed during the growing season.

**Turf:** Apply 6 to 10 ounces per 1000 square feet. Repeat as needed. A minimum of 20 gallons of water per acre is recommended for ground application or 5 gallons of water per acre minimum if air applied. When spraying at minimum water rates, the use of a compatibility agent will eliminate any potential mixing problems, lower water pH and aid in surface coverage and leaf absorption.

### Precautions

- (1) Do not use with liquid foliar or ground fertilizer containing phosphates.
- (2) When compatibilities are unknown or questionable, contact your supplier or use a jar compatibility test.

### Guaranteed Analysis

Calcium (Ca) .....	2.00%
2.00% Chelated Calcium (Ca)	
Magnesium (Mg) .....	2.00%
2.00% Chelated Magnesium (Mg)	
Boron (B) .....	1.00%
1.00% Water Soluble Boron (B)	
Manganese (Mn) .....	2.00%

Zinc (Zn) .....	2.00%
2.00% Water Soluble Zinc (Zn)	

*Derived from: Magnesium glucoheptonate, Calcium glucoheptonate, Manganese sulfate, Zinc sulfate and sodium borate.*

## CAUTION

### Keep Out Of Reach Of Children

### Precautions

Avoid getting in eyes, mucous membranes or on skin. Use with adequate ventilation. Keep container capped when not in use. Do not contaminate feed, seed or water supplies. Keep away from children.

Manufactured for:

**Agri-Business  
Technologies, Inc.**

1102 3rd Avenue • Albany GA 31707

(229) 436-4677 • F1285

Weight per gallon: 11.3 lbs. • Store above 25°F

### First Aid

**Skin:** Remove contaminated clothing. Wash with plenty of clean water and soap. Consult a physician.

**Eyes:** Rinse with clean water for a minimum of 15 minutes. Seek medical attention.

**Internal:** Drink 2 glasses of water. DO NOT INDUCE VOMITING. Seek medical attention at once.

### Container Disposal

Triple rinse or equivalent and offer for recycling. Consult federal, state and local authorities for proper disposal information.

### Conditions Of Sale

Seller warrants that products will be labeled as required under state and federal law and that they conform to the label description. Any nonconformance must be reported in writing to Seller within thirty (30) days after purchase as a prerequisite to maintaining any claim against Seller. Buyer agrees to inspect all products purchased immediately upon delivery.

THE SELLER'S LIABILITY ON THIS WARRANTY IS LIMITED IN AMOUNT TO THE PURCHASE PRICE OF THE PRODUCT. THIS WARRANTY IS IN LIEU OF ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THIS STATEMENT.
