

**Liquid Boron with Natural Occurring Enzyme
Activators, Plant Hormones, Organic Acids, and
Amino Acids with NEXGEN™ Technology**

For Foliar and Soil Applications

GUARANTEED ANALYSIS

Boron (B).....6.00%
Cobalt (Co).....0.0005%
Molybdenum (Mo).....0.0005%
Derived from: Boric Acid

Information about the components of this fertilizer material may be obtained by writing to Agri-Business Technologies Inc. 1102 Third Ave, Albany GA. 31707, and giving the lot number which is found on the container.

Net Weight:	Net Contents:
Jug: 24lbs (10.88 kg)	Jug: 2.5 gal (9.46 liters)
Cs. 2x2.5: 48lbs (21.76 kg)	Cs. 2x2.5: 5 gal (18.92 liters)

GENERAL INFORMATION

BOAR MAX™ is a unique combination of boron with non-plant food ingredients including natural occurring enzymes activators, plant hormones and amino acids for maximum yield and quality.
BOAR MAX™ is recommended for use as a supplement to a balanced fertility program. Use throughout the growing season in a program of multiple applications to provide a continuous supply of boron at or near the time it is needed most.
BOAR MAX™ is environmentally safe, made with only “clean” raw materials free from heavy metal contamination.

DIRECTIONS FOR USE

BOAR MAX™ can be added to most nitrogen solutions or fluid fertilizers and impregnated on dry blend fertilizer. It can be tank mixed with most pesticides. Always make a small-scale test to assure compatibility. It can be soil or foliar applied, broadcast or banded over the row and injected through irrigation systems.
BOAR MAX™ will disperse in water with minimal agitation. It serves as a buffer when used in tank mixes with pesticides. Follow the mixing sequence: 1. Water; 2. **BOAR MAX™**; 3. Pesticide. Water GPA: Conventional sprayers 10-20 gallons. Ariel: 5 gallons per acre.

RECOMMENDED RATES

The optimum rate and timing of application will depend on local conditions and should always be made as a result of soil and/or plant tissue analysis in consultation with your local agricultural authorities. In the absence of test results, use the following as a guide:

Soil: Apply at the rate of 6-20 oz. /Acre. Repeat as necessary if deficiency persists.
Banded over the row: Apply at the rate of 6-20 oz. /Acre. Repeat as necessary if deficiency persists.
Foliar Application: Apply at the rate of 4-20 oz. /Acre. Repeat as necessary if deficiency persists. Spray either early or late in the day for maximum leaf absorption.

WHAT TO DO IN CASE OF CONTACT

If Ingested: Give large amounts of water or milk, if conscious. Contact a physician immediately.
Eye Contact: Flush eyes with clean water for 15 minutes. Seek medical attention immediately.
Skin Contact: Remove contaminated clothing and wash skin with soap and water. Seek medical attention if irritation develops or persists.
If Inhaled: Move to fresh air and seek medical attention if irritation develops or persists.

For additional information call CHEMTREC 800-424-9300

If there is contact made with spray solution containing pesticides and/or spray adjuvants, follow the “Statement of Practical Treatment” on the product labeling.

This product may be corrosive to aluminum, mild steel and brass. Store in HDPE, fiberglass or stainless steel containers. Use only stainless steel, P.V.C. or polypropylene fittings.
Storage: Store in a cool place in original container in a locked storage area inaccessible to children, pets, domestic animals or wildlife.
Container Disposal: Do not reuse empty containers. Triple rinse (or equivalent) then offer for recycling or disposal by procedures approved by state or local authorities.
CONDITIONS OF SALE: Agri-Business Technologies, Inc. (Company) warrants that this product conforms to the chemical description of the label and is reasonably fit for the purposes stated on the label when used in accordance with the directions under normal use. This warranty does not extend to the use of this product contrary to label instruction, or under abnormal use conditions, or under conditions not reasonably foreseen by the company. **THE COMPANY DISCLAIMS ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTY OF FITNESS OR MERCHANTABILITY. THE COMPANY SHALL NOT BE LIABLE FOR CONSEQUENTIAL, SPECIAL, OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, AND THE COMPANY’S SOLE LIABILITY AND BUYER’S AND USER’S EXCLUSIVE REMEDY SHALL BE LIMITED TO THE REFUND OF THE PURCHASE PRICE. BUYER AND SELLER ACKNOWLEDGE AND ASSUME ALL RISKS AND LIABILITY RESULTING FROM HANDLING, STORAGE AND USE OF THIS PRODUCT. THE COMPANY DOES NOT AUTHORIZE ANY AGENT OR REPRESENTATIVE TO MAKE ANY OTHER WARRANTY, GUARANTEE OR REPRESENTATION CONCERNING THIS PRODUCT.**
